INCREASED CAPABILITY. REDUCED WORKLOAD. The Hawker 400XP has one of the most enviable safety records in its category. And while its proven design, rugged construction and reliable engines play important roles, pilots emphasize that they believe a major contributor is the way the flight deck is designed.

MORE ROOM FOR YOUR BOARDROOM. No matter the destination, the Hawker 400XP's spacious, comfortable cabin will make getting there all the more pleasurable. Thanks to the combination of the unique Hawker square-oval cabin design and a full 305 cubic feet of interior space, the Hawker 400XP has the most spacious cabin in its class.
